Maverick students and alumni come together over Dinner on April 17

Dinner with 10 Mavericks is a program based on a simple idea: local alumni and faculty host dinners in their homes for current UT Arlington students. For students, Dinner with 10 Mavericks is a unique opportunity to enjoy a special meal while socializing and networking with fellow Mavericks. By the end of the evening, 10 Mavericks have become 10 friends.

Dinner with 10 Mavericks is a unique way to create a kinship with current Mavericks. If you live outside DFW and would like to be involved, consider co-hosting to help with meal expenses.

The 2010 Dinner with 10 Mavericks is scheduled for **Saturday, April 17**.

To host or co-host a dinner, complete the online registration form at www.uta.edu/alumni by Friday, April 9.

President's Report provides in-depth look at UT Arlington

"More is happening. More is being achieved. More is possible. And more is expected."

This is how the recently released **UT Arlington President's annual report** begins. Available in its entirety online, the 40 page document is part celebration, part year-in-review, and part vision for the future.

"Never in our University's 115-year history," says UT Arlington President James D. Spaniolo, "has our focus been more crisp or our mission so urgent."

A great read for proud Maverick alumni: www.uta.edu/president/report/2009

The UTA Fort Worth Alumni Board recently hosted a meeting with area business leaders and elected officials to discuss the vision outlined in the President's Report.
