Free Practice Tests From Kaplan

On Saturday, February 19th at 10am, Kaplan is holding a FREE opportunity for students to take a practice MCAT, LSAT, GRE, PCAT, DAT or OAT. The event will be held at UTA in the Life Science Building. This event is open to anyone who would like to take a practice test, even if you are not a current UTA student.

Each test will last up to 3 hours and will be proctored like an actual exam. After the test, one of our amazing instructors will give a short workshop on test-taking strategies and will answer any questions that you may have.

This is a great opportunity for you to see how you might score on the real thing, and also to get an idea of the kinds of questions that will be on the real test. The exams will be scored and returned to you later that afternoon with comprehensive feedback about your individual performance on the test.

To register for this free event, fill out the following web form: <http://bit.ly/FortWorthFreePracticeTest>. For additional information, visit www.kaptest.com/practice or call one of Kaplan's test experts at 1-800-KAP-TEST.
