

Official Maverick Ring Contest

Join to
win a Ring!

Are you a member of the Alumni Association? Do you have an Official Maverick Ring? Now is the time to do both! During May, June, and July, everyone who joins the UT Arlington Alumni Association or renews their membership will be entered

into a drawing to win an Official Maverick Ring!

This prize is valued up to \$700! Members of the Alumni Association strengthen and stay connected to the University, support student leadership programming and scholarships and have opportunities to network with fellow Alumni.

Members also get access to discounts on numerous products and services including a free campus parking pass (must not be enrolled in classes), discounted Maverick Athletic Center membership, library privileges, UT Arlington bookstore discount and more!

University Represented in 4th of July Parade

Cheer on UT Arlington representatives in [Arlington's 46th Annual 4th of July Parade](#) starting at 9 a.m. Monday, July 4, in the east campus and downtown area.

University supporters Jeannie ('98 BA, '11 MA) and Will Deakyne are sponsoring the University's parade float again, as they have since 2003. University community members can walk by the float by contacting Seth Ressler at seth@uta.edu.

Mr. and Ms. UTA, the Student Congress president and vice president, and The Shorthorn float are among the parade's 135 entries.

UT Arlington Names New College of Engineering Dean

The University of Texas at Arlington announced that Jean-Pierre Bardet, chair of the Sonny Astani Department of Civil and Environmental Engineering at the University of Southern California, has been named dean of the College of Engineering. Bardet will succeed Dean Bill Carroll, who plans to step down this

fall and return to teaching computer science engineering. Bardet is expected to join the University full time by January. [For more information, click here.](#)

June 11th at the University Center for The Ultimate Huddle Football Reunion. At the heart of the ceremony sat the family - as well as the memory - of former

coach Charlie Key, who coached or played for UT Arlington from 1959-85. Former players took their turn stepping to the podium and sharing their memories of UT Arlington football and, more importantly, the impact Key made upon them. The passionate message across the board was simple: Football might not be a sport at UTA any longer, but it is not dead. Neither is Key's legacy.

Levitt Pavilion Concert Series

The concert series is wrapping up this weekend. The lineup this weekend includes The Kildares, Friday; Mingo Fishtrap, Saturday; and Radney Foster, Sunday. All concerts are free. There will be fireworks the night of the Sunday show. [Click here to see the concert schedule](#). The Levitt Pavilion is located at 100 W. Abram St. in Arlington. For more information visit the [Levitt Pavillion website](#).

Engineering Research Building Earns LEED Gold Certification

A new, landmark gateway welcoming visitors to UT Arlington is rising at UT Arlington's new Engineering Research Building has been certified as a LEED Gold structure by the U.S. Green Building Council in recognition of the University's successful incorporation of sustainable building practices

into the 234,000-square-foot facility. The Engineering Research Building opened in January and provides state-of-the-art, collaborative laboratory and teaching space for faculty and students from the College of Engineering and the College of Science. The building houses the departments of Computer Science and Engineering and Bioengineering, but also includes space for research teams representing diverse academic disciplines."
